Profile

Experienced UI/UX Designer with expertise in crafting user-centric digital solutions across diverse industries. Passionate about solving challenges and driving business impact through design.

Work Experience

2023 - Present

Computacenter Romania
Cluj Napoca

Senior UI/UX Designer

Designed a custom internal configuration tool as part of a cross-functional project, focusing on intuitive UI/UX and workflow optimization.

2021 - Present

Dreamsup Digital Agency
Oradea

Founder & Designer

Through DreamsUP, I collaborate directly with clients on contract-based projects. I specialize in end-to-end product design — from ideation to launch — working closely with startups and businesses to craft UX/UI, branding elements, and digital products built from scratch.

Work Education

2018 - 2022

University Of Oradea
Bachelor Degree

Information Technology (IT)

Degree awarded: February 2024

Completed a Bachelor's degree in Information Technology, which provided me with a solid foundation in IT principles and helped develop my analytical thinking skills.
